STUDENT BUSINESS BUILDERS
FAQs

General Course Questions:

How long will it take to complete this program?	*Student Business Builders Sprint 1* and *Sprint 2 are* designed to be completed in 4 – 8 weeks. The maximum time for each sprint is 3 months.
Is there a program outline (syllabus)?	There is no formal outline or syllabus for the virtual program. Course content is found in the table of contents for each course module.
Can I find out more about these modules?	Each course module begins with a course description and course objectives. These are found on the home page of each course.
What can I expect with taking these modules?	Each course module includes content, topic videos, and worksheet assignments. Additional resources and videos are also available.
How much time will I spend per module?	Most course modules are designed to be completed within 1- 2 hours, including all course content, videos and assigned worksheets. Some worksheets may take a little longer to complete.
How do I get access to the necessary materials?	Everything needed to complete each course module is located within the virtual course. Links are used to connect to recommended videos. Assignment worksheets are included within each course as attachments.
How do I contact my instructor?	Each student is assigned a virtual business coach for the entire program. You may contact your business coach by email.

Technical Questions:

What are the technology requirements to take these modules?	You will need a device with high speed Internet connection, a newer version of a web browser, and access to common tools and software like word processors, email, etc. Some courses may have other software or technology requirements as well. A recent Windows or Mac operating system is recommended.
I don't have a computer at home. Can I still participate?	Yes. Our modules will work on other devices that have high speed internet capabilities. Keep in mind that this is a virtual program so reliable internet access is essential for success.

Assignment Questions:

What if I have questions about an assignment?	Any questions about course module content or the assignments may be sent via email to your assigned business coach.
How do I get assignments?	All assignments are located within the course modules in a separate lesson labeled "Worksheet" and are easily accessible.
What are typical assignments in this program?	Most course modules have prepared worksheets that have been included in a separate lesson within the module. They are 1 – 2 pages in length and based on the content in the lessons. Most worksheets can be completed in 20 – 30 minutes but a few may take a little longer.
What is the typical workload for a module?	Most course modules can be completed in 1 – 2 hours. This includes reviewing the content and videos, and completing the worksheet(s).
How will I be evaluated?	Your completed worksheet assignments will be evaluated by your assigned virtual business coach.
