

NIIC Conference Center

The NIIC is a Venture Hub for Northeast Indiana. We coordinate an ecosystem to provide our homegrown and attracted entrepreneurs and innovators with the support, infrastructure, encouragement, and resources they need. This includes our Conference Center for businesses and non-profit organizations in our community. We also roll out the red carpet for our out-of-town guests.

Whether you are blocking dedicated time for project work, looking for a place to hold a one-to-one meeting, an off-site strategic planning retreat, a workshop or a week-long conference or class, contact us for your event and conferencing needs.

Together We Achieve Entrepreneurship for ALL.™

"Excellent service provided by the NIIC Staff!"

- Kelly of Quality Solutions Partner

"Everyone is very helpful and pleasant to work with. We really enjoy getting away from the office and using your beautiful space."

- Indiana Michigan Power Distribution Team

"Everyone was so accommodating from the concierge to the chef. Lots of positive comments about the food AND how comfortable the chairs were."

-Midwest America Federal Credit Union

"Everyone I worked with was professional, positive, and seemed to make my event a priority. The chef put a personal touch and skills into creating and providing the food and beverages."
